SERVING THE COMMUNITY

FOR MORE THAN

50 YEARS

About Lions International

Since 1917, local Lions clubs have offered people just like you the opportunity to give something back to their community. Today, with over 1.3 million men and women in 44,000 Lions Clubs in more than 202 countries and geographic areas, Lions have expanded their focus to help meet the ever-increasing needs of our society.

As a member of a Lions club, you become aware of the needs of your community and have the advantage to effectively make a difference. Our club provides volunteers with project management assistance, leadership training, personal development opportunities, and organized fund-raising programs. Being a Lion empowers you to help others in a way that no one person could alone.

Now, more than ever, people with vision problems, the environment, our senior community, our youth and the disadvantaged around the world need your help. You can make a difference. By participating in our local Lions club, you can help meet pressing needs in our community and around the world.

The strength of the international initiatives comes from local membership – Lions such as those in Norfolk, who share their talents and energy to share the common mission, “**We Serve**”.

About The Norfolk Lions

Chartered in 1950, the 21 men and women of the Norfolk Lions Club continue to serve our community in a variety of ways. Bi-weekly meetings provide a forum for club members to meet to discuss means for employing our motto: “**We Serve**”. Members have the opportunity to become active through a variety of roles that range from leadership initiatives to hands-on service throughout the community.

Our 2012 - 2013 officers are:

President: Lion Royal Sheldon
Secretary: Lion Suzanne Murray
Treasurer: Lion Kelly Lustyik

Membership in the Lions Club is bestowed upon individuals who are sponsored by Lions club members in good standing and who have the characteristics and dedication to provide contributions to the welfare of our community, both locally and globally. We encourage your careful consideration; with your sponsor you can attend several meetings as a guest to see if you feel you could contribute to our organization and the community.

Why not take this opportunity to work with local residents towards making our community a better place to live in, while also supporting the humanitarian projects of Lions International.
